Chair of Governors: Mr R Hunter

6th July 2020

Dear Parents / Carers,

I would like to start this letter by saying thank you for all your support during what has been the most extraordinary of times. I know that it has been extremely difficult for families and your support is very much appreciated.

As the Summer Term draws to a close, you will begin to receive the usual end of year communications. Next week, school reports will be sent to all parents / carers via email on ParentMail. Paper copies will follow at a later date. Our school reports will be different to our usual format due to school closures in March but will still celebrate the achievements made this year.

Next week, you will also receive notification of your child's class for next year. Due to COVID 19, we have decided not to mix the classes this year. We hope you understand that, after being away from school for so long, returning to classmates the children know is a big step for reintegration in to school life.

News from the Education Minister, Gavin Williamson, was received last week stating that all children are expected to be back to full time school in September. This means we can begin planning for returning to school and be ready to start back at the beginning of the Autumn Term. Whilst planning for this return to school, the health and safety of our children, staff and parents is still our number one priority, so we will be thinking carefully about how we move forward in ensuring a smooth transition for all. Although we are still awaiting further guidance from the local authority and the health and safety team regarding how the restrictions will be relaxed and what is expected of us, we will, as always, keep you all informed of our plans as they unfold. Please continue to keep an eye on the website and your ParentMail correspondence for more information.

Many thanks, as always, for your support.

Mrs L Pearce
Head Teacher

Summer Reading Challenge

As libraries are currently closed the Summer Reading Challenge has gone digital! Please register your child at www.summerreadingchallenge.org.uk.

Please keep checking our school Twitter account!
