

Our school values: Respectful, Understanding, Positive, Aspirational

At Parsloes we are respectful, understanding, and with a positive attitude towards life we aspire to achieve well here and beyond.

Newsletter 1 – September 9th 2020

Dear Parents and Carers,

Welcome back!

Firstly, I would like to welcome back all our pupils, parents and carers. I hope that you have all had a wonderful summer and are looking forward to the term ahead.

Our school has been quiet and still for a very long time so it is wonderful to see our school springing back to life! Our pupils have returned to school with excitement and have settled back into school life with positivity and enthusiasm. This is the beginning of a very different academic year but our aim as always is to ensure that our pupils receive the very best education and opportunities possible.

PE

On PE days, pupils should come to school wearing their PE kit – (red shorts, white t-shirt, black jogging bottoms, black sweatshirt, plain trainers.)

Year Group	PE Day
Year 1	Thursday
Year 2	Thursday
Year 3	Tuesday
Year 4	Tuesday
Year 5	Wednesday
Year 6	Wednesday

If your child left their PE bag at school over the summer, we will try our best to deliver to pupils in their new classes by the end of the week.

Water Bottles

All pupils are encouraged to bring a water bottle to school with them. For increased health and hygiene, we ask that all water bottles have a lid that can be closed when the bottle is not being used.

School Office

Although parents/carers are not able to visit the school office at the moment, our lovely office staff are still available to support you on phone and email. If you have any questions or queries, please don't hesitate to contact the school office.

Parent Information

If you have not already set up a Parent Mail account, please do so. All information will be communicated to parents using this system. If you need help or support in this matter, please contact the school office.

At the end of last term, you would have received lots of information about our new systems and procedures. Please do refer to these as necessary.

All our systems and procedures are in line with our Risk Assessment that has followed Government and Local Authority guidance. As you know, the government are updating guidance regularly and therefore we may need to review and adapt our systems in order to maintain compliance. We will update parents/carers with information at the earliest opportunity.

Thank you!

Finally, I would like to say a huge thank you to everybody within our school community. Everybody has worked so hard to ensure the safe and smooth reopening of our school and our families have embraced and supported the school every step of the way.

Thank you, as always for your continued support.
